**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I would like to express my support for Bridge 2 Broadband. I have used my local broadband service provider, Omsoft/Davis Community Network for about 25 years now. They are dedicated to community service at competitive rates. I would hate to see them and similar locally based services go away and leave me at the mercy of profit motivated mega-corporations.

Broadband access is an essential part of communities. It is wrong to let profit motivated commercial enterprises dominate this vital utility. Competition and community service motivation are essential to insure the kind of equitable and affordable broadband access that has become vital to our citizens.

Thank you.
